

**OPTION 13: ALPHA JET MS2, "TJ-XBU"**  
**GAROUA AIR BASE, CAMEROON AIR FORCE**  
**1994**

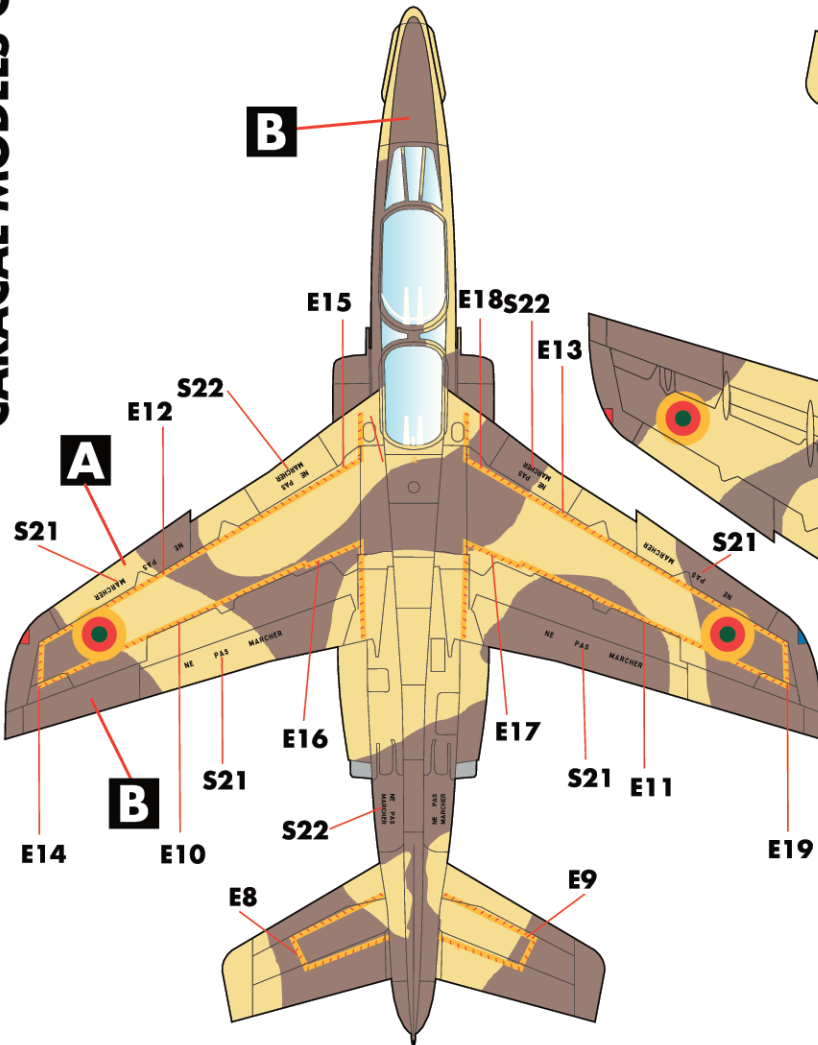

CAMEROON'S ALPHA JETS WERE FRENCH-BUILT MS2 AIRCRAFT WITH A SECONDARY STRIKE MISSION. THEY WERE GENERALLY SIMILAR TO FRENCH AIR FORCE EXAMPLES. THEY WERE EQUIPPED WITH MARTIN-BAKER MK.4 EJECTION SEAT AND THE LASER RANGEFINDER NOSE. STENCILLING IS IN FRENCH AND IDENTICAL TO THOSE ON FRENCH AIR FORCE ALPHA JETS.

THIS BOTTOM VIEW IS SPECULATIVE, BASED ON OUR INTERPRETATION OF EXISTING PHOTOS.
